High Power Up to 500W Waterproof Omni-directional OEM Signal Jammer

JM1701116

2021/07/21

Are you curious about whether you can just tell your special demand then some products can be suitable? Or do you worry about your customers' various and such high power requirement? This advanced High Power Up to 500W Waterproof Omni-directional OEM Signal Jammer can perfectly suit your demand. Judging from the name of this high-power jammer, it can be an OEM signal jammer, you can tell us your needs and special specifications, and then we will customize according to your needs. In addition, it can not only be customized but also can choose the appropriate output power. The power range of this signal jammer with a power of up to 500w ranges from 300w to 500w, which can meet your various needs. More importantly, this OEM high-power signal jammer has not yet appeared on the market. In addition, with its excellent cooling system, it can maintain a better condition, thus ensuring uninterrupted work. Importantly, the jammer can also allow customers to customize the desired frequency band. Welcome to provide a frequency band and need power so that we can customize it for you. Advantages: Good cooling system with cooling fan inside. Can adjust or turn off any single band without influencing the other band's operation. Work non-stopped. Stable capability. Application Area: it can be applied at meeting rooms, conference rooms, museums, galleries, theatres, concert halls, churches, temples, restaurants, classrooms, training centers, factories, banks, trains, bus and more. For some locations of special purpose such as hospitals, gas stations and more, Please do field test first to make sure no interference happened to the normal operation of their equipment and instrument
